

## Student Dress - Our Standard

At Creation Village World School, we present ourselves in a manner that reflects the glory of God. We maintain a healthy learning environment through the way we present ourselves that is based on respect for God, for ourselves, and for others, creating a unified community based on 1 Corinthians 10:31, whatever you do, do all for the glory of God:

- The silent language of personal appearance projects an image of unity. It plays an integral role in expressing our school purpose to our team, students, parents, visitors, and most importantly, our Creator.
- Students represent the school to their peers, parents, and members of this and other communities; it is integral that they look and act accordingly.
- Students are required to dress according to the school's standard from campus arrival to departure.
- Each student is responsible for dressing and grooming appropriately.
- Students who are inappropriately dressed or groomed will be referred to the Dean of Programme or Head of School, who makes the final decisions on dress code matters.
- Following are the dress and appearance guidelines enforced on campus and day trips:

### Daily Expectations

*\*Uniform Outfitters and Dennis Uniforms are the exclusive vendors for CVWS uniforms.*

### Adherence to the Uniform Standard

If there are any questions related to a student's clothing, the decision of the school is final. CVWS follows a three-step process for adherence to the dress code standard:

- Students not in their proper, full uniform will receive a verbal warning.
- If a second instance occurs, you will receive a written warning, and a conference will be scheduled to review the uniform requirements and your student's adherence to the standard.
- Should a third instance occur, the school will provide your student with a uniform, and your TADS account will be charged for the cost.
