

CREATION VILLAGE WORLD SCHOOL

VPK/Pre-Kindergarten Uniform Policy

Here at Creation Village World School we strive to present ourselves and our students in a professional manner. We want to prepare our students for the professional world and encourage them to be aware of their appearance and the way they carry themselves at all times. We believe this is accomplished by wearing their proper, full uniform. This uniform policy applies to all children in the Pre-Kindergarten and Voluntary Pre-Kindergarten programs.

Students are required to follow the dress code. The Head of School and Dean of Campus reserve the right to interpret and/or make changes.

Uniform Outfitters is our sole vendor for uniforms, and all items must be purchased through Uniform Outfitters.

Uniform Outfitters Uniforms will provide only the approved uniform pieces for you to select from for CVWS Early Years and will ensure the school logo is on each item. You can either go in person to their location or order online at your convenience. Please ensure you have a complete daily uniform before the start of the school year.

When to Wear Your Uniform	Every school day unless otherwise noted.

General Clothing Guidelines

- Uniform Outfitters is our sole provider of uniforms. No uniform pieces may be purchased from other vendors and all items purchased at Uniform Outfitters must be from within the approved dress code in the Early Years section.
- All clothing must be clean, in good condition, modest, and of appropriate size and fit without being too tight, baggy, or revealing.
- For non-uniform days prohibited clothing/style include the following: denim (or look alike fabric), camouflage clothing, off the shoulder tops, overalls, combat-style boots, hats, bandanas, visible underwear, offensive (i.e. drug, alcohol, or sexual references/innuendoes), torn or cut clothing; unnatural color or distracting print.
- If an undershirt is worn, it should be white.
- Hair should be styled in a way that is consistent with the spirit of this policy. Male students must wear their hair above the collar, eyebrows, and ears. Jewelry and makeup (if worn) should be simple and tasteful.
- Uniforms should appear neat at all times - ironed when needed.
- During cool weather children can wear additional jackets for outside use.
- Shoes must be closed-toe with non-marking rubber soles. Heelys are strictly prohibited and shoes may not illuminate or make electronic noise.

Consequences for not adhering to the uniform policy

If your child is not in their proper, full uniform, you will receive a verbal warning after the first offence as a reminder. On the second offence, you will receive a written report. On the third offence, a parent/teacher conference will be scheduled to review the uniform policy and discuss how best to adhere to it.
